Engage - Learn - Build...Together

Help Decide Meeting Content for the 2016-2017 Year

This collaborative meeting is about you—the records and information management professionals in the biotech & life sciences, government, legal, medical, manufacturing and other industries.

We want to find out:

- What are the key RIM issues facing you today?
- What topics and speakers would you like to have offered?
- What do you need to be successful in your career?
- What excites you about RIM?
- How can San Diego ARMA better support you?

In addition, we will share ways to maximize your ARMA membership by highlighting free resources and scholarship opportunities.

Your input is critical to making this year relevant, insightful, and tailored to your needs.

We look forward to seeing lots of new faces and faces we have not seen in a while. All who attend will receive a \$10.00 Starbucks gift card, compliments of our meeting sponsor Corodata.
