TOPICS: Social Media and Privacy

Come join our chapter as we hear from **John Isaza, Esq., FAI**. John will speak about current hot topics in our industry, such as social media and the California Consumer Privacy Act of 2018. John is a much sought-after speaker in the information governance world. He touched on these topics at the July ARMA Regional Conference and it was a fascinating discussion.

You don't want to miss this!

Speaker Bio: John Isaza, Esq., FAI is the CEO of Information Governance Solutions (IGS), LLC, a technology-enabled provider of global regulatory retention requirements. He is also a Partner at Rimon, PC, where he heads the records and information management (RIM) practice. He is one of the country's foremost experts on RIM issues, electronic discovery, and legal holds. He has developed information governance and records retention programs for some of the most highly regulated Fortune 100 companies, including related regulatory research and opinions in over 130 countries. His clients range from startups to Fortune 100's.
