

## What is Your Plan? How do you handle confidential documents and information

Come hear from the co-owner of Proshred of San Diego, Todd Hoover, who will talk to us about the importance of properly handling confidential documents. He will also share more information about the hard drive destruction process.

Todd Hoover is one of the owners of Proshred Security of San Diego, Total Secure Shredding and Professional Scanning Services. Prior to opening the San Diego Proshred franchise, Todd spent over 20

years in commercial real estate finance in San Diego. Todd graduated San Diego State University in 1991 with a real estate degree.

Proshred of San Diego currently operates 5 on-site mobile shredding trucks, two off-site trucks, and opens their warehouse to the public Monday through Saturday. Proshred's primary business is document destruction, but they also have a document scanning division. Proshred currently operates 31 locations across the U.S.
