

Information Governance Basics

Come get a refresher on the basics of Information Governance:

- What is it?
- Who Uses it?
- Basic IG Principles
- Where do I start?

As a bonus, our speaker will also give an overview of current trends for blockchain in document management!

Baird W. Brueseke has experience leading companies and designing solutions to solve customer problems. He co-founded Wheb Systems which grew to become Captiva Software; a public company purchased by EMC in 2005. Baird is the Executive Editor of IG World magazine and a member of AIIM's Company of Fellows.
