SD ARMA Full Day Conference

Using Information Governance Benchmark Reports to Turn Insights into Action

Taunya Bathard is a talented resource in the RIM and Compliance industry as a Senior Advisor, Professional Services for Iron Mountain. She shares broad industry experience with special expertise in RIM, IG, Professional Services and SaaS. As a Senior Advisor, she works diligently with clients to help them improve access to their information, mitigate risks, protect their information assets along with cutting and controlling related costs.

E-Recordkeeping and Storage Mock Trial

John Isaza, Esq., FAI heads the Information Governance and Records Management practice at Rimon. John is internationally recognized in the emerging legal fields of information governance, as well as RIM. He is one of the country’s foremost experts on RIM issues, electronic discovery, and legal holds. He has developed information governance and records retention programs for some of the most highly regulated Fortune 100 companies, including related regulatory research opinions.
